SUMMARY OF TELEPHONE INTERVIEWS

Dear Sir/Madam:

This communication summarizes the discussion during a series of telephonic interviews between the Applicants' representative, Charlton Shen, and Examiner Gina C. Yu on April 17, 2008, May 19 and 21, 2008, and July 28, 2008 regarding the above-referenced U.S. patent application.

Applicants' representative indicated that abandonment of the application was improper given the disposition of the matter following appeal. Examiner Yu indicated that she would rescind the abandonment. Applicants' representative and Examiner Yu also discussed potential amendments to the claims that would place the application in condition for allowance in light of the Board of Appeal's decision.
